

Be a Buddy not a Bully Program Fundraiser Extravaganza 2019

Good Day,

I'm from Kamikaze Punishment Foundation which is a not for profit foundation located in Edmonton. Kamikaze Punishment Foundation operates a fully functional facility focusing on the art of wrestling, judo, boxing, and TKD which is used daily for the development of our amateur athletes, as well recreational members of our community. Kamikaze Punishment is more than a gym, its a way of life. Our goal is for everyone to enjoy and incorporate all aspects of martial arts techniques to build a better body with a healthy physique. No matter what your skill level is, you can always improve within the positive atmosphere of Kamikaze Punishment. If you are a beginner who is new to the sport or a veteran of the game, respect and positive energy is held above all else. Martial arts for fitness or competition, whatever your needs are we will support you to get there safely. Our classes start at the age of 5 years old and up, men, women, children and all ages in between taking part in our facility.

On March 2, 2019, for the UFC 235 PPV, we will be holding one of our biggest fundraisers of the year – a pub night that includes an extensive silent auction. This year's event is being held at the famous **Canadian Brewhouse Edmonton**. All funds received from this event go directly towards enhancing our children/youth programs for the upcoming year. Funds will go towards improving our Be a buddy not a bully program for the next year. We use the funds to subsidy costs for low-income families, as well as purchase new gear for the children and youth to use.

Fundraisers like this make it possible for our foundation to operate throughout the year and overcome the obstacles of increasing costs associated with running & maintaining our facility and to continuously chase the pursuit of excellence by opening our programs up to more children and youth in our community!

We launched our “Be a Buddy Not a Bully” program in 2015 with less than 50 children enrolled. To date, we have had more than 1500 children and youth participate in our program in 2018.

We are in the process of collecting merchandise for the silent auction items, door prizes, and game prizes; we sincerely request your assistance in making this event a success. All donors will be named in the event program, event banner and on our website, along with social media shout outs through our **Twitter 3.5K+ followers, Instagram 32K+ followers, Facebook 6K+ likes and YouTube 2K+ subscribers**. The silent auction items will be on display throughout the event, promoting your company.

If you can donate to our pub night, our shipping address is as follow, or pick up can be arranged.
